WHAT GOD IS DOING IN YOU
TO CHANGE THE WORLD
AROUND YOU

BOTTOM LINE: You can have peace because God is in control. Read Matthew 6:26

DAY
1

God's Got You

This week we learned that God cares about the birds. They don't have to worry about anything. The best part is that He cares for you even more than He cares about the birds!

Grab some paper and something to write with and make a list of some things God does to take care of you! You can list things like: giving you food to eat, friends to play with, or clothes to wear.

Post this paper somewhere you can see it often this week to remind you that even when it feels like everything is going wrong, God is in control.

KNOW that God cares for you so much and will give you everything you need.

DAY
2

Birds of the Air

Grab a Bible and look up this week's Bible verse, and read it with an adult a few times. When you are finished, color the bird below with this week's bottom line written inside.

LOOK for ways that God is in control of your life.

DAY
3

Pass the Peace

Find someone in your home or neighborhood that you can "pass the peace" to. All you have to do to pass the peace is to find someone to pray with! Go now and ask someone to sit down and pray for peace with you. You can pray something like this:

"Dear God, I know that You care so much about me and that You will always take care of me. I pray for _____ (name of person you are praying for). I pray that they can also have peace in their heart when things get hard. God, allow us to always remember that You are in control no matter what happens. We love You, God, amen"

THANK God for people in your life that can help you remember to have peace.

DAY
4

Rock, Paper, Scissors, Peace

Grab some friends and play Rock, Paper, Scissors, Peace. You play this the same way that you would play rock, paper scissors, shoot. The difference is, whoever wins has to tell a way that they can see God being in control of something good that happened to them. For example: The sun was shining today or I made a new friend in the neighborhood.

ASK God to help you see all the times that He has cared for you this week.
