Daniel Interpreted the King's Dreams

DANIEL 2

Daniel and his friends were captives in Babylon. God gave the men gifts of skill and knowledge. He gave Daniel the ability to understand dreams and visions.

Nebuchadnezzar, the king, had dreams that troubled him and kept him awake. He called his magicians and sorcerers and said, "I had a dream, and I don't understand it."

The king wanted to see how much knowledge they really had. "You tell me what I dreamed and what it means."

Could they do it? No! No person can tell another person what they dreamed! Nebuchadnezzar was so angry that he sent a command to kill every wise man. This command included Daniel and his friends.

Daniel and his friends prayed that God would reveal the dream and the meaning to Daniel. God did as they asked! Daniel praised God, "I offer thanks to You because You gave me wisdom!"

Daniel told the king, "There is a God in heaven who reveals mysteries." Then he told the king the dream. "Your Majesty dreamed about things that will happen in the future. As you watched, a giant statue appeared. It was made of gold, silver, bronze, iron, and clay. As you watched, a single stone crushed the feet of the statue, and the entire statue shattered and blew away. Nothing remained. The stone became a large mountain and covered the earth."

Daniel explained that the gold represented the king and his kingdom. It also represented future kings and kingdoms. The stone that became a mountain represented God's kingdom that would last forever.

King Nebuchadnezzar said, "Your God is indeed God of gods and a revealer of mysteries!" Daniel became governor over all the wise men.
