The Misconception about Our Work - It is not a result of the curse

- ✓ The nature of work is good, not evil
- ✓ Work was given before the fall, not after it
- ✓ The nature of the curse itself shows that work is not the result of the curse
- ✓ God’s perspective on work remains positive after the Fall, not negative

The Impacts of Sin on Our Work

- ✓ It can be difficult [Romans 8:22-23](#)
- ✓ It can be disillusioning & depressing [Ecclesiastes 2:17-18, 22-23](#)
- ✓ It can be distorting
- ✓ It can be depleting
- ✓ It can be deceptive

The Way We View Our Work

- ✓ There is a divine design
- ✓ There is a divine deliverance [1 Corinthians 15:58](#)
- ✓ There is divine direction [John 17:14-15](#); [Matthew 5:13-16](#)
- ✓ There is a divine decision – [Ecclesiastes 3:12-13](#)
