JUNIOR'S ADVENTURES

Bible Study

HEY PARENTS!

Today, our class met a new friend named Junior. For the next few weeks, your children will learn something new from the Bible by listening to a story from *Junior's Adventures*. Each lesson will focus on a Bible Truth, a Memory Verse, and a practical application called a Junior Truth. These will be included on your child's Take-Home Sheet. You can ask them about each coin and and review the lesson with them during the week.

Watch them
learn and apply
these lessons in
a fun way!

About the **Coin Collection**

Your child is also building a coin collection! This week you will receive the Coin Collection Chart. Hold onto this chart and use it each week with your kids.

Don't worry. We'll make it easy so you know what to do! You'll get a Letter to Parents after your child completes each lesson. This special sheet includes an activity for your family to do together so you can help reinforce what your child learned in class.

Once the activity is complete, your child will earn a coin from Junior's Coin Collection. We'll let you know which coin to award each week. Cut out the designated coin from the sheet provided and help your child attach it to their collection. Feel free to play up the ceremony and make it as fun as possible! We hope you enjoy this time watching your kids learn and apply the lessons from *Junior's Adventures*.
