

## **“The Challenging Call to Submit & Stand”**

*Romans 13:1-14*

October 25, 2020

### **Our Response:**

1. Why is the fact that government is established by God a reason to submit to them? How does this correct sometimes our wrong thinking?
2. How does the way that we respond to government and its law matters? What effect does it have on our gospel witness to others, particularly those who are lost?
3. When are the times when we shouldn't submit and we should stand against govt.? What is a possible example? How should we stand against them?
4. Why is it important for us to pay our taxes and not cheat on them? Does God really care about this? Why or why not?
5. Where do you need pursue the debt of love in your life? Who in your life needs to be a recipient of that love?
6. How and where do you need to apply the last 3 truths? Wake Up! Throw Off! Put On? What changes do you need to make this week to put on Jesus?
7. Be certain to vote with a biblical worldview and conscience on Tuesday, November 3<sup>rd</sup> for candidates and issues. It's is your God given responsibility!
